

Welcome back to the library for 2020!

It has been great seeing everyone back for another year, welcome to all our new students both from Kindergarten and from other grades. Borrowing has started for the year and it is wonderful to see so many borrowers. Don't forget to bring your library bag to ensure books don't get lost and that they stay protected.

Book Care

We like to keep our books in circulation and therefore encourage families to look after our books by:

- Keeping books in a library bag;
- Having a special place at home for your library books;
- Keeping books away from babies and pets;
- Having clean hands when reading;
- Turning pages carefully;
- Not eating or drinking while you read; and
- Making sure lids of drink bottles and lunch boxes are secure.

Lost and damaged library books

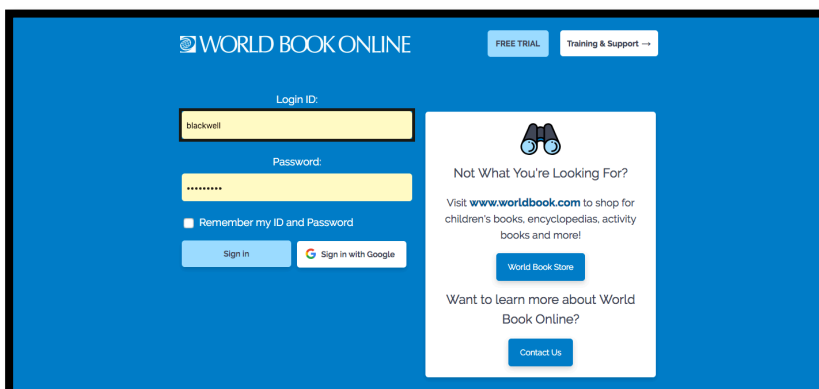

As borrowed library books incur a replacement fee when they are lost or damaged, it is important to place books in a spot where they cannot be damaged or lost.

Keeping books in a library bag and keeping the bag in the same spot helps to ensure that books can be easily located each week for borrowing / returning, and reduces the risk of them being damaged.

Books that have been lost or damaged while borrowed by a student will require a replacement fee to be paid. The replacement fee is \$10, which helps us to cover the costs of replacing books. Payment for books can be made at the front office.

World Book Online for 2020

Blackwell students again have access to World Book Online for 2020.

World Book Online is an online encyclopedia that allows students to access a variety of information, videos and pictures. World Book Kids has been specifically designed for primary school students while World Book Student is aimed at upper primary.

World Book Online is an excellent online information source, which has current and accurate information for students to use both at home and at school.

Students can access World Book Online by going to the website found at:

<http://worldbookonline.com/wb/Login?ed=wb>
